*Front-End Engineer | Web3 Developer | Social Media Strategist*

Jos, Plateau State | maryannomotola393@gmail.com

---

## Professional Summary

Motivated and detail-oriented Front-End Developer with over four years of hands-on experience building responsive, user-friendly digital interfaces. Skilled in HTML5, CSS3, JavaScript, React.js, TypeScript, Tailwind CSS, and experienced with Solidity, Python, and C++.

While new to professional Web3 environments, I continuously improve through personal projects, practical experimentation, and learning. Adept at bridging design and development, I create visually appealing and highly functional digital solutions.
